Birra Moretti's ITALY LIVE welcomes Londoners to the Moretti Table for lunch or aperitivo via a live satellite link-up between Soho's Golden Square and San Gimignano Piazza, Tuscany. Guests can experience a truly authentic Italian dining experience – with delicious Italian cuisine complimented by a pint of refreshing Birra Moretti.

Moretti has lined up two experts in regional Tuscan cuisine: Italian-based Sandra Rosy Lotti is renowned in Italy for her cookbooks and is the owner of Toscana Saporita Cooking School. She will be joined - via live link-up - by Stefano Dondoli, who started in two Michelin starred restaurants in Italy before moving to London to work at a number of fine dining restaurants. He has now started a whole new experience as a gelato maker in the shop in San Gimignano owned by his father, Sergio Dondoli, a former Gelato World Champion.

This will be a great treat for Italian food lovers as you will not only see live cookery demonstrations from Italy and chat with the locals but you can also sample some traditional Tuscan dishes. For lunch there's carbonara with guanciale and pecorino from Tuscany and in the evening an aperitivo menu featuring sharing board with a selection of fantastic ingredients local to San Gimignano with rustic bread, finocchiona, salami toscano, truffle honey, saffron and truffle pecorino. For dessert, guests can sample some traditional Italian gelato by San Gimignano's Gelateria Dondoli – The Best Gelato Restaurant in the World. What's more it won't cost you a penny (or cent!)

There are a limited number of seats available at the Moretti Table - for a chance to win a reservation visit [facebook.com/morettiuk](http://facebook.com/morettiuk) before 17th July. Successful applicants will be contacted by via phone and email. Alternatively, come along on the day and enjoy a glass of Birra Moretti and sample some delicious Italian Cuisine – seats will be allocated on a first come, first served basis. Arrive early to avoid disappointment. Participants must be 18 years or older.
